

#### From Secretary's Desk ...

When asked by one of our volunteers what it feels like to complete 25 years at Aaina, I paused to reflect—yes, it's been 25 years! This milestone brings a wave of excitement, not just for me, but for the entire team, especially Dillip, our Director of Programs and one of our longest-serving colleagues. The enthusiasm across the organization was contagious, with members suggesting 25 activities to mark the occasion, while our team came up with creative ideas like the Aaina Premier League and cultural events. The energy and innovation were overwhelming, but we had to narrow down the plans, keeping budget implications in mind. After two days of brainstorming, it was decided that the celebrations would span from Aaina's foundation day on 1st August 2023, to our legal certification day on 1st August, accompanied by a short video created by colleagues that reminisced about Aaina's incredible journey.

A key highlight of this year was the launch of Project SHRUTI on 15th August 2023. This initiative, envisioned by Dr. Tapti Panda from Sneha Support Foundation Inc., NY, and facilitated by Sabarmatee from Sambhav, supported and collaborated by Aaina, aims to provide mobile screening for children and adults with hearing impairments. Initially rolled out in Ganjam and Nayagarh, the project was later expanded to Khurdha with the generous support of Chola Foundation (CIFCL) in October.

One of the most exciting developments during the celebration was the Aaina Premier League. Originally designed to foster teamwork among staff, the league was expanded to encourage girls' participation in sports. This culminated in the Kabaddi championship in Ganjam, with our beloved President, Ms. Lalita Missal, championing the cause to make this an annual event promoting girls in sports.

The 25-year celebration officially began on 14th January and concluded on 15th January with the Kallola Children's Film Festival, which was celebrating its 10th anniversary. The Chief of UNICEF Odisha was our honored guest and expressed hopes for Kallola to continue its impactful work. Children from our programs and our staff presented vibrant cultural performances, with a highlight being a group dance performed by the parents of children from Amo Vidyalay, alongside Aaina's staff. The grand event featured esteemed guests, including Dr. S. B. Agnihotri (Retd. IAS), Dr. GVV Sharma (IAS, Retd.), Sabarmatee, and Jagadanand, who addressed the audience and reflected on Aaina's remarkable 25-year journey. To mark Makar Sankranti, which coincided with our 25th Annual day of celebration, 25 kites carrying messages of hope and inclusivity were flown.

The celebration wasn't just about looking back; it was about looking ahead. New roles, such as Monitoring, Evaluation, and Learning (MEL), were formalized, and new team members were brought on board as we continue working toward our mission of empowering communities and fostering an inclusive society. As we celebrate 25 years of Aaina, we also invite new generations to carry forward our message of inclusion and compassion for transformation, ensuring our work remains a beacon of hope and progress for all.

10th Kallola Film Festival, January 14, 2024 The 10th Kallola Film Festival was held on January 14, 2024, marking a decade of celebrating and showcasing children's creative expression and social consciousness through film. This unique festival, organized annually, provides a platform for children to make and present films that highlight a range of pressing social issues. The 2024 event was graced by a distinguished panel of guests, including Shri Anant Mohapatra, Mr. William

Hanlon (Chief Field Officer, UNICEF), Shri Jitendra Mishra (renowned filmmaker), Ms. Mandakini Kar (Chairperson, OSCPCR), Ms. Kasturi Mohapatra (former Chairperson, SCPD & OSCPCR), Ms. Bhoomika Das (actress), along with Aaina's executive members, well-wishers, and representatives from civil societies. Their presence emphasized the importance of promoting social responsibility among young filmmakers.

The festival began with a screening of impactful short films made by children from different backgrounds and regions. Among the many films showcased, "The Right Glass" by Biswanath Rath conveyed its message within 1 minute 20 seconds, followed by "Khushi" by Sangram Keshari, "Parivartan" by Gaurav Upadhyaya, and "Waw" by Usha Rani Patra—all highlighting essential social messages within short timeframes.

The segment on films created by young students was particularly inspiring. The film "Aji Thu Ekathi" by students from Xavier High School, Khandagiri, used visual storytelling to discuss empathy and understanding among young children. Another film, "Mana Badalila", made by children from the Child Care Institution (CCI), Puri, explored the topic of self-realization and personal change, capturing the transformative power of kindness. "Parichannata", produced by students from Manikeswari High School, Bhawanipatna, presented a narrative on acceptance and combating social stigma.

Several individual filmmakers also contributed to the festival's lineup. "DENNAA – The Wings" by Mr. Santosh Panda portrayed the indomitable spirit of a young girl determined to overcome adversity, a theme that deeply resonated with the audience. "Drustanta" depicted the transformative power of education, with a young woman returning to her village to inspire change, moving the villagers away from outdated beliefs towards rational thinking.

Another notable film was "Nagabali Ra Abhiman", created by students from Pitamahal Ashram School, which addressed environmental degradation and its repercussions on the local community. Through an engaging storyline, the film followed a young girl, Chabbi, who questions the river's continuous erosion only to discover that it was a consequence of human negligence, raising environmental awareness.

In addition to film screenings, a radio jingle titled "Jeje Ku Corona Sikhya" by students of M Hindi High School, Bolangir, used creative dialogue to spread COVID-19 awareness, encouraging adherence to safety measures such as wearing masks and maintaining social distance.

Among other short films, "Sikhaa" by Pradeep Kumar Jena highlighted the disparity in food distribution between genders, underscoring the importance of equal nutrition. His other work, "Chumki", told the story of a young girl's struggle for clean water and education, portraying her determination to overcome life's challenges. "Anamika", another thought-provoking piece by Ranjana Pandey Panigrahi, followed the journey of a girl burdened by societal expectations, only to symbolically restart her life, representing the resilience and dreams of many young girls.

The festival culminated in a warm and joyous cultural performance by children from different project locations and Aaina staff members, adding to the festive spirit of the day. Filmmakers and their teams were honored with facilitation for their contributions to the festival, celebrating their dedication to storytelling and social activism.

The 10th Kallola Film Festival exemplified the potential of young filmmakers in addressing social issues and sparking dialogue on crucial topics, ranging from environmental conservation to gender equality.
