

MISSION KSHYAMATA

**DIRECTORY OF SHGs OF
PERSONS WITH DISABILITY IN
ORISSA**

PRELUDE

Government of Orissa launched “Mission Kshyamata” as part of its empowerment initiative of persons with disability, formally on the World Disability Day (3rd December) in 2004. As a first step to the economic independence of the persons with disability Self Help Promoting Institutions are encouraged to facilitate formation of exclusive SHGs of persons with disability.

It is visualized to have 500 SHGs of persons with disability by the end of the year 2006.

In this respect it was planned to come out with a directory of these SHGs operational in the state. *ainia* took the initiative to prepare the directory with data provided by the respective organizations.

Irrespective of Mission Khyamata many of the field organizations have facilitated the SHG of PWDs. Many of them predate Mission Khyamata.

There has been use of different methodology and varied degrees of experience and success involved in such activities.

The directory is contemplated in two parts – group information and individual membership information.

The first part is presented herewith.

ACKNOWLEDGEMENT

aaina takes this opportunity to acknowledge the CONFIDENCE reposed in them by Dept. of WCD, Govt. of Orissa and the Director Mission Shakti in assigning the responsibility to come out with the directory.

aaina appreciates the participation and information sharing of the different voluntary organizations from across the state during the preparatory orientation meetings of Mission Kshyamata.

The suggestions of the Task Force members are also duly acknowledged.

aaina thanks all those organizations that have provided with the necessary data, for them to be able to come out with the first part of the directory.

aaina also recognizes the diligent and unceasing efforts of the inner group of members and staff, that led to the finalization of the directory compilation.

Special thanks is due to the staffs of project Ananya, *aaina* and all the persons with disability in Ganjam, for the experience and inspiration gained from their efforts in visualizing a framework for the SHGs to be built under Mission Kshyamata. (The directory is a recognition of their existence and identity within the society).

aaina takes this opportunity to acknowledge the contribution and support from each one towards the compilation of this directory, though it will be difficult to name them individually.

Mrs. Sneha Mishra
Secretary *aaina*,
Bhubaneswar.
